

A little April Fools' Fun...

time to get casual for a cause!

Your business is invited to participate in National Dress Up 2 Cure Day for Rett Syndrome by hosting a "Dress Down" day!

Proceeds benefit Rett Syndrome research.

Recent research proves Rett Syndrome is reversible. Now is the time to help our cause. Rett Syndrome could be the first curable brain disorder!

additional ideas:

Keep it simple, or add in one of these ideas, too!

1. Match the total employee contribution towards a "paid day off" raffle...the more money raised, the more days off can be raffled!
2. The owner of the company pledges to do something if a certain goal is met. Like deliver tea to everyone ...dressed up in a silly outfit of course!
3. With each increment of \$5 donated, give a chance to win a prize, like a premium parking place.
4. Offer an incentive to promote healthy competition between departments, like lunch for the group raising the most funds.
5. Mobile phone ringing penalty - start a penalty system (eg \$5.00) for anyone whose phone rings during a meeting or presentation during the whole month of April.
