

GARDEN OF HOPE

Girl Power 2 Cure is a 501c3 nonprofit organization. Tax ID # 20-8011668

April is Autism Awareness Month. Rett Syndrome, the most severe form of autism, is the leading cause of severe neurological impairment in females. There are more than half a million girls suffering without speech, without hand function, confined to wheelchairs -- suffering with uncontrollable seizures and pain.

Recent research has shown this can all be reversed! They have isolated the protein their bodies are lacking. Help us raise funds for research that will help these girls.

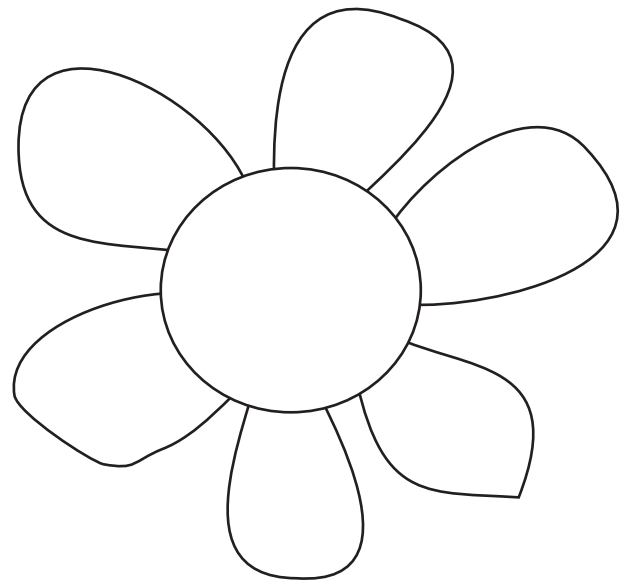

Thank you!
